

Lake Country Clean Waters

Protecting Our Lakes and Streams

Application for LCCW Lake & River Recognition Award

We are excited to hear how you have been conserving water resources in Lake Country! Thank you for your interest in applying for the Lake Country Clean Waters Lake & River Recognition Award. Please fill out the questions below and submit to info@lakecountrycleanwaters.org.

The award is a wooden canoe paddle that will have each awarded organization's name engraved on it each year. The purpose of this award is to travel between organizations that work toward conservation efforts to make lake country a better place! The Paddle represents how each organization collective efforts continuously move us forward to make Lake Country an excellent place to enjoy our water resources. Please fill out the questions below.

- 1) Have you applied for a Lake & River Recognition Award in the past? What years?

- 2) Have you received the Lake and River Recognition Award? What years?

- 3) In the past year, what conservation efforts has your organization held or contributed to?

- 4) Does your organization apply for grants that contribute to conservation efforts?
